Liberal Democrats Say-Axe The Council Tax

Tony Blair needs to understand the message

"The unfair Council Tax must go!"

Since Labour came to power, on average Council Tax bills have risen by 70% - a massive burden on pensioners and the poorest paid.

Locally, the Council Tax has risen by a massive 20% over the past two years, under the control of our Conservative run Councils.

Only the Liberal Democrats have clearly worked out plans to replace the Council Tax with a fair alternative.

ONE ISSUE REALLY COUNTS IN THIS ELECTION - WHO WILL WORK HARDEST FOR YOU ON THE COUNCIL?

John Vincent - Working for our area...

Reduce Re-use Recycle

When the Liberal Democrats ran Reigate & Banstead Council, we introduced recycling of paper/card and tins from home. Recycling rates tripled overnight.

You continue to tell us that you want to recycle 'more from your door'.

The Council has adopted our suggestion for home composting and we will continue to put forward your demands for the recycling of plastic.

Your local Liberal Democrats argue that protection of our environment is paramount.

**Recycling is an investment for the future.
We would recycle more from your door.**

It's a question . . .

Liberal Democrats say we need a full inquiry into the decision to go to war in Iraq.

The inquiry set up by Tony Blair - chaired by a top ex-civil servant and meeting in secret will not answer the real questions about why Britain supported George Bush on the war in Iraq.

of trust

Potholes, patches and pavement problems

The Borough's roads are in their poorest state for a decade.

The Conservative Council's neglect and complacency endangers motorists, cyclists and pedestrians alike.

We have seen a growing incidence of faults such as potholes or large cracks in the road surface.

Liberal Democrats will take a pro-active approach to road maintenance.

Basic services are a key priority of the Liberal Democrat group.

20mph for all schools

Liberal Democrats believe children's safety should always be a priority.

John Vincent is campaigning to get a 20mph speed limit in Chart lane, which not only serves St Mary's but several other schools.

We need to seek to reduce both the number and severity of injuries close to schools. When hit by a car at 20 mph, children have a 90% chance of survival, compared to only 50% at 30mph.

Your local Liberal Democrats are committed to introducing a 20 MPH speed limit outside every school in the Borough.
