

Unfair Tax Must Go!

Local Campaigners are calling on Tony Blair and the Labour Government to axe the Council Tax.

Reigate Lib Dem Prospective Parliamentary Candidate Jane Kulka said "Council Tax is an unfair tax. We should axe the tax and replace it with a system based on the ability to pay". Council Tax is causing real hardship to those on fixed incomes, like many pensioners and those on benefits. Whilst Council Tax has gone up by around 10% a year, the pension increase has been less than half this amount.

Lib Dem leader Charles Kennedy has pledged that a Lib Dem Government would abolish the tax completely. Lib Dems will replace the Council Tax with a local income tax. It would be paid through the PAYE system and would therefore be cheaper to collect. Those who do not pay income tax would not pay anything.

It has been calculated that three quarters of people would be better off under a local income tax system.

under the Tory run County & Borough Councils. This is despite their promises to keep taxes down.

Reigate's roads are a disgrace

Your local Liberal Democrats are campaigning hard to get the Tory controlled Surrey County Council Highways, to repair some of the worst of our local roads. It is clear that this part of Surrey is ignored by the Council when it comes to essential repairs. John Vincent, Reigate Central resident said, "To allow the roads and pavements to get into such a poor state is a disgrace. Some roads and pavements are so bad that they are a hazard to cyclists, pedestrians and can damage cars." If you know of any really bad roads or pavements here in Reigate Central then please let John know.

20mph for Chart Lane

There is an increasing danger for pedestrians in Chart Lane. This road is a main route for children coming to St Mary's School, Reigate Grammar and Reigate Parish School. Due to parked vehicles and a winding road, there is poor visibility for car drivers. John Vincent, Reigate Central Liberal Democrat campaigner, has written to the Council asking them to look urgently at safety measures for this stretch of road. The road would be a prime candidate for a 20mph limit during school hours. Your local Liberal Democrats believe there should be a 20mph speed limit outside every school.

Lib Dem PPC for Reigate

Reigate Liberal Democrats have chosen local campaigner Jane Kulka as their Prospective Parliamentary Candidate.

Jane is an experienced campaigner and a former local Councillor.

Commenting on her selection Jane Kulka said, "the results of recent local elections show that the Liberal Democrats are the real challengers to the Conservatives in Reigate. I am confident that support will continue to grow in this constituency. Local people have welcomed us leading the fight to improve this area. They recognise our commitment to the protection of the environment and our support of quality health and education provision."
