## Redhill West Lib Dem Candidate

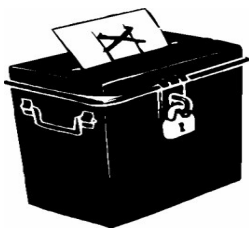

**Leonie Lockhart**  
**762412**

Leonie has lived locally since she returned from America in 1973. She is a biologist from Sussex University and became a teacher in 1978 to fit in with bringing up her three children. She was a senior teacher at The Beacon in Banstead for 12 years until she retired. She still keeps her hand in working 2 days a week at the South East Surrey Pupil Referral Unit, which is quite a challenge. Leonie is a keen member of the Surrey Wildlife Trust and loves spending time on her narrowboat. She is keen to work for environmental issues and for more affordable housing for local people.

### Liberal Democrat Councillors will:

- Fight the threat to our Harlequin Theatre.
- Fight the Tories' closure of our leisure centres.
- Work for improvements to the Redhill area.
- Improve lighting & road signs in town centres and residential areas.
- Introduce more home recycling facilities - especially plastic and glass.
- Campaign for improvements to the condition of our pavements and roads.
- Work towards a 20 mph speed limit outside every school.
- Retain and enhance sporting facilities especially in the run up to Olympics 2012.
- Help the residents save our Youth Centres from being closed down by the Tory Council.

### Council Tax is unfair and must be scrapped

Since 1997, the Council Tax in this Borough has risen by over 106%. At the same time, average wages have only risen by an average of 55% and pensions by only 30%!

**Liberal Democrats say - it's time  
to scrap Council Tax and  
replace it with a fair tax, based  
on ability to pay.**

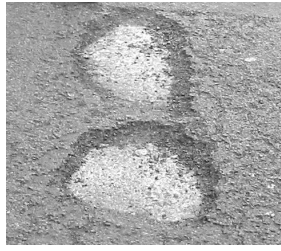

ONE ISSUE REALLY COUNTS IN THIS ELECTION - WHO WILL WORK HARDEST FOR YOU ON THE COUNCIL?

# Patching is not enough!

Lib Dem Councillors have been lobbying the Borough Council for years about the very poor condition of many of the roads and footpaths in the Borough. Since 2002, the Tory controlled Council has had sole

responsibility for the maintenance of the highway. In last year's election, Conservative candidates were elected on a promise of improving the highways. So far there has been little or no improvement. Potholes continue to deepen, causing damage to vehicles and an increasing danger to road users.

The Tory Executive keep promising that works are in progress, but most people tell us that the state of the road surfaces, signs and lighting continue to deteriorate.

**Liberal Democrat Councillors & campaigners promise that they will continue to highlight these dangerous problems until they are fixed.**
