Dear New Resident(s)

According to the official list supplied by the Borough Council, this is the first time that you will be registered to vote at this address.

I would like to take the opportunity to welcome you on behalf of your local Liberal Democrat Focus Team.

Your ward is known as Meadvale and St. John's. Your Councillors represent residents' views to the Borough Council.

I have lived in Meadvale and St John's for most of my life and, having previously been your Borough Councillor, I know the ward and it's problems very well. I would greatly welcome the opportunity to represent you again and to work with you when issues arise which impact adversely on our area.

Your local Liberal Democrats have been keeping in touch with our residents for over thirty years through frequent Focus leaflets, extensive canvassing, new voters letters and questionnaires. In addition we always give our home contact details so that our team is available to be contacted easily.

Over the many years we have campaigned in this area, we have built up a network of contacts and friendships. Our aim is communication in our communities. We are always keen to hear your views so that we can address the issues that concern you most.

On the back of this letter is a brief survey. I hope you will spend a few minutes to let us know what improvements you think our area would benefit from. Please post this form back to the address given or email your views to anna@southeastlibdems.org.uk. I look forward to receiving them.
